

OILS AND LUBRICANTS

Engine Lubricant

Eurofleet 15w/40

A multi-grade oil to meet the demands of both petrol and diesel engines, whether turbo or normally aspirated. Registered and blended to the latest ACEA specifications.

5Ltr	ESOI305
25Ltr	ESOI304
200Ltr	ESOI303

Agricultural Universal Lubricants

All Farm

A universal oil for use in the front and back of tractors. Suitable for use in most diesel engines, both turbo and normally aspirated. Also suitable for most tractor transmissions/hydraulics and wet brakes. Viscosity SAE 15w/30.

25Ltr	ESOI309
200Ltr	ESOI308

Agri-Supreme

A premium quality transmission/engine oil suitable for use in many tractors including many later generation Massey Ferguson tractors under warranty. Meets specification MF1144. Viscosity SAE 10w/30.

25Ltr	ESOI311
200Ltr	ESOI310

Hydraulic Lubricant

Hydrapower HV46 (VI)

A hydraulic oil suitable for use in hydraulic systems where a HV lubricant is required, i.e. self-propelled harvesters, hydrostatic drives and anywhere that heat and wear can cause problems.

25Ltr	ESOI317
200Ltr	ESOI316

Horticultural Lubricants

Four-Stroke Mower Engine Oil

For use in four-stroke petrol engines that require an SAE 10w/40 viscosity.

1Ltr	ESOI3225
------	----------

Two-Stroke Easy Mix

For use with leaded and unleaded petrol.

1Ltr	ESOI326
5Ltr	ESOI325

Chainsaw Bar Oil

For use on chainsaw bars and other exposed chains, complete with an anti-sling, tacky additive.

5Ltr	ESOI328
------	---------

Gear Lubricant

EP 80w/90

A premium grade universal gear oil meeting API specification GL4.

25Ltr	ESOI331
-------	---------

Ancillary Lubricant

Milking Machine Oil

A premium grade vacuum pump oil for milking parlour pumps.

5Ltr	ESOI334
25Ltr	ESOI333

Grease

Lithium EP2

A high quality Lithium EP (Extreme Pressure) No. 2 high temperature grease.

Single	ESOI338
